

San Diego Businesses Need....

- **Adequate, Efficient Resources**
- **Rates/Tariffs that support energy goals**
 - Eliminate rate subsidies
 - Accurate price signals
- **Flexible incentive programs**
- **Competition**

Border Issues

- **The cost of inefficiency**
- **Environmental standards**
- **The net impact on Regional supply and demand**
- **Long-term reliability**

Recommendations

- **Plan as a region**
- **Dispatch as a common wholesale market**
- **Common environmental standards**
- **Critical resources north of the border**
